The trustees present their annual report and the audited financial statements for the year ended 31 March 2019 which comply with the Charities Act 2011, the Scheme approved and established by the Charity Commissioners on 29th May 1991 as amended under an Order of the Charity Commissioners dated 18 February 2015 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### *Governing instruments*

The Catenian Association Benevolent and Children's Fund (the Fund) is a charity, registered with the Charity Commission, registration number 214244 and is governed by the Scheme approved and established by the Charity Commissioners on 29th May 1991 as amended aforesaid.

#### *Trustee recruitment*

Trustees are appointed by the Central Council of The Catenian Association from a list of Catenian applicants.

#### *Trustee induction and training*

New trustees are appointed by Central Council, initially for a period of five years, bearing in mind their experience with other charities and their general professional background. Each receives a copy of the Scheme document, copies of the minutes of the last two meetings and a copy of an application form, followed by explanations of the procedures at subsequent meetings of the Board of Trustees.

#### *Organisation Structure*

The trustees meet at least four times in a year and have a mechanism for urgent consideration outside scheduled meetings and are assisted with investment policies by the Investment sub-committee. The Investment sub-committee is formed under the authority of the Trustees of The Catenian Association Benevolent and Children's Fund and its membership comprises of Trustees of that Fund together with a number of non-trustees with specialist knowledge and experience as shown on page 1.

The function of the sub-committee is the management of the investment portfolio, undertaking sales and purchases as deemed necessary, with the overreaching intent of safeguarding investments, while seeking balanced capital growth and income. The sub-committee meets at least four times per year and has a mechanism for urgent consideration outside scheduled meetings.

The Fund's investments and bank accounts are administered by Catena Trustees Limited, a company limited by guarantee and without a share capital. See note 12 for more details and related party transactions.

Trustees are appointed for a five year period unless they are appointed to fill a casual vacancy when they complete the term of office of the trustee they are replacing.

The trustees who served during the year are:

R.M.S. Allanson	J. Fry	(retired on 29 May 2018)
P. Astill	J. Hogan	
R. W. Butler	M. O'Malley	
D. Cawdery	D. Rowley	
P. Devine	D.W. Arundale	(appointed on 29 May 2018)

## STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

### *Risk review*

The trustees have conducted their own risk review of the major risks to which the charity is exposed and systems have been established to mitigate those risks. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

## OBJECTIVES AND ACTIVITIES

### *Objects*

The Catenian Association Benevolent and Children's Fund provides monetary assistance to members of the Catenian Association and their dependants including dependants of deceased and former members of the Catenian Association who are in need.

As part of the fulfilment of its charitable objectives, the charity makes some long term loans to members of the Catenian Association or their dependants on a secured basis. Such loans are made according to the merits of individual applicants. See note 8 (b) for more details.

### *Strategies*

The availability of monetary assistance to members of the Catenian Association of the charity is advertised throughout the Catenian Association, on the internet, through provinces and circles and by leaflet.

### *Activities*

During the year, the charity has continued to provide monetary assistance to members of the Catenian Association and their dependants who are in financial difficulties and who have applied to the charity for assistance.

### *Public Benefit*

We have referred to the guidance in the Charity Commissioner's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

The paragraphs in this report show the aims and objectives of this charity and activities of the year.

Income is received by personal donation from members of the Catenian Association together with investment income from investments held. Applications for grants and loans are made by members of the Association or their dependants or dependants of deceased members or former members after due local process. Meetings of the trustees are held at least four times a year to consider the cases and payment is made to or on behalf of the claimant, by grant or loan. In special emergency cases a representative committee is employed.

#### PLANS FOR THE FUTURE

The charity will continue to provide assistance to members and their dependants in a similar manner in the ensuing year.

#### TRUSTEES' RESPONSIBILITIES FOR THE FINANCIAL STATEMENTS

The trustees are responsible for preparing the annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements giving a true and fair view, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records which are sufficient to show and explain the charity's transactions and to disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the "Charities SORP (FRS 102)". They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### AUDITORS

The auditors have signified their willingness to continue and a resolution proposing the re-appointment of Cocke, Vellacott & Hill as auditors of the charity, will be put to the Annual General Meeting.

This report was approved by the trustees on 16 July 2019 and signed on its behalf by:

## The Catenian Association Benevolent and Children's Fund

Independent auditor's report to the trustees of  
The Catenian Association Benevolent and Children's Fund

---

### Opinion

We have audited the financial statements of The Catenian Association Benevolent and Children's Fund set out on pages 8 to 15 for the year ended 31 March 2019. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom General Accepted Accounting Practice and in accordance with "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)" and the accounting policies set out on page 10.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2019, and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the Charities Act 2011.

### Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

The Catenian Association Benevolent and Children's Fund

Independent auditor's report to the trustees of  
The Catenian Association Benevolent and Children's Fund (continued)

---

**Matters on which the auditor is required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditors under section 145 of the Charities Act 2011 and report in accordance with Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**1. Accounting policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding year.

**Basis of accounting**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of fixed asset investments. They are also prepared in accordance with applicable accounting standards and the recommendations of the Charity Commission in "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)".

**Income**

All income is included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Donations and gifts are included in full in the statement of financial activities when receivable. Legacies are included when the charity is advised by the personal representative of an estate that payment will be made or property transferred and the amount involved can be quantified.

Income from investments is included in the year in which it is receivable.

**Expenditure**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of raising funds comprise of investment management costs and those costs incurred in attracting donations and legacies.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. Support costs are those costs incurred directly in support of expenditure on the objects of the charity. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. These include costs related to audit, trustee expenses and legal fees.

Expenditure, which involves more than one cost category, is apportioned on a reasonable, justifiable and consistent basis to the cost categories involved.

**Taxation**

Provision for taxation is not necessary, as the Fund is a registered charity and has no trading activities. No deferred tax provision is required.

**Programme related investments**

These include loans to beneficiaries in accordance with the objectives of the charity. The loans secured by a first charge on a recipient's assets are expected to be recovered in due course. In the event that the loan or part of the loan becomes non-repayable it will be written off in the statement of financial activities.

**Funds**

- (i) Investment revaluation reserve - represents unrealised gains on the listed securities as a result of their market values being higher than their cost.
- (ii) General fund - represents the net surplus made by the company during its operations.
- (ii) Long term loans reserve - represents an amount equivalent to the secured loans recoverable to ensure that adequate funds are earmarked to meet any potential non-recoveries.

**Purposes of unrestricted funds**

General purpose income fund - represents funds available at the discretion of the trustees to further expand the activities of the charity. The fund arises from donated income and income arising on an annual basis from amounts held by way of capital and unutilised funds less costs of generating funds, charitable expenses and governance costs. It also includes realised gains less losses on investments.

The investment revaluation reserve represents unrealised gains on the listed investments as a result of their market value being higher than their cost.

The board of trustees has approved the setting up of a designated fund called the long term loans reserve equivalent to the secured loans recoverable (see note 8 b). The purpose of this designation is to ensure that adequate funds are earmarked to meet any potential non-recoveries.
