

TRUSTEES' POLICY ON FUNERAL EXPENSES

The Governing Document of the Charity as amended by the Scheme dated 9th February 2021 includes the following provision regarding the relief of need:

Such relief may include assistance with the funeral costs of deceased persons who were in life members of the Primary Class of Beneficiaries.

At a meeting on 16th March 2021 the Trustees approved the following policy:

Normally, assistance will be only be given under this provision when the deceased has died without dependants (who would otherwise be eligible for assistance with the cost of the deceased's funeral) and when the deceased is likely to be the subject of a Public Health funeral (or equivalent outside the United Kingdom).
